Tetra CO2 Laser

Our Tetra laser is one of the most advanced CO2 technologies available. We can address: sun spots, pigmentation, mild skin laxity, brown spots, fine lines, scars-including acne scars, wrinkles, as well as special treatments for the delicate eye area.

\$1200 | MILD FULL FACE

\$1500 | MODERATE FULL FACE

\$1800 | AGGRESSIVE FULL FACE

\$500 | PERIORAL LINES

\$550 | UNDEREYE

\$125 | EXOSOMES BOOST ADD-ON

Carbon Laser Facial

Address wrinkles & pores with our detoxifying laser facial treatment. Known as the "Hollywood Peel", it addresses large pores, dull complexion, blackheads or acne. It helps reduce blemish marks, fine lines & wrinkles as well as improve the overall firmness of the skin with a renewed glow with no downtime.

\$550 | SINGLE TREATMENT

\$1450 | SERIES OF 3

Acne Laser Facial

Our Acne Laser Facial uses light waves to treat and kill acne causing bacteria on the face. This treatment helps get stubborn acne under control so you can transition to a maintenance skincare routine

\$350 | SINGLE TREATMENT

\$800 | SERIES OF 3

Intense Pulsed Light

A tried and true photo-facial to address sun spots, sun damage, redness, & flushing areas. Also great for treating rosacea.

\$350 | SINGLE TREATMENT

\$800 | SERIES OF 3

Laser Tattoo Removal

Don't be haunted by decisions of the past. We can help remove that unwanted ink. We specialize in removing tattoo pigment ink. Most pigments are able to be lifted over a series of treatments with our state of the art Q-switched laser.

\$120 & UP | PRICING IS PER SESSION AND BASED ON SIZE OF THE TATTOO

Erbium Laser Resurfacing

The gold-standard laser technology for full skin resurfacing. The Erbium laser addresses mild to moderate lines, wrinkles, hyperpigmentation, sun damage, crepe skin, acne scarring & problems such as lines along the neck, around the eyes, and mouth.

\$950 | SINGLE TREATMENT

\$600 | ADD-ON TREATMENT AREA

10% OFF | SERIES OF 3

Fractionated Laser Resurfacing

Fractionated erbium uses light energy to promote skin rejuvenation and collagen production. Results lead to minor skin tightening, smoothing fine lines and wrinkles, treating of acne scars, hypertrophic scars & stretch marks, as well as epidermal pigmented skin lesions

\$825 | SINGLE TREATMENT

\$500 | ADD-ON TREATMENT AREA

10% OFF | SERIES OF 3

Laser Hair Removal

Permanent hair reduction for every day low maintenance. Using the latest technology our laser is able to target pigmented hair and through a series of treatments eliminate hair growth.

\$150 | UPPER LIP, CHIN & JAWLINE per session

\$150 | UNDERARMS per session

\$200 | FULL FACE OR ARMS per session

\$275 | LEGS per session

SAVE WITH SERIES OF 6 SESSIONS

Vascular Laser Treatment

Broken capillaries, telangiectasias, superficial spider veins, & cherry angiomas can be targeted with our Spectrum laser to diminish & erase their appearance. Our providers will discuss a customized treatment based upon your concerns.

\$200-\$550 | SINGLE TREATMENT

***sometimes more than one treatment is needed.**
